EDITORIALLY SPEAKING

Our Society is losing control of its criminal elements

To many Canadians it sometimes seems as if criminals are taken over our society and our justice system is going out of its way to help them.

If you feel that way, you're not alone. In fact, you are in the distinguished company of Warren Burger, Chief Justice of the United States, who recently warned: "Like it or not today we are approaching the status of an impotent society whose capability of maintaining elementary security on the streets, in schools and in homes of our people is in doubt."

While Burger's comments were meant for the U.S., we in Canada, in fact in Haliburton County — have been given plenty of reason to believe that applies here as well.

For this situation, Burger blames the court system which he said provides too much protection for the accused and too little for the victims of crime.

And he blames the school system which he said, "virtually eliminated any effort to teach values and integrity, truth, personal accountability, respect for others."

He warned we must not be led to believe that if we abolish poverty, crime will disappear.

"A far greater factor is the deterrent effect of swift and certain consequences: swift arrest, prompt trial, certain penalty and — at some point — finality of judgment."

Burger's words are welcome truth for policemen who are tired of seeing criminals being turned loose by courts and prison systems to commit crime again, practically without punishment.

And we, in Haliburton County can hope that the US and Canada heeds his warning before we are made further victims of the growing crime rate he speaks of.

Eakins challenges Davis to explain Ont. economy slip

Speaking at the Halton-Burlington Liberal nomination meeting in Milton last Saturday evening, John Eakins, challenged Premier William Davis to explain why Ontario's economy has slipped from first to last place under his leadership. He said that all research has placed Ontario last among all the provinces in annual percentage growth, in per capita income, in the rate of public investment and in residential construction.

During the ten years of Davis leadership, effective programs for retraining our young people have

Stanhope Council meets

STANHOPE — Council for the Township of Stanhope met on Wednesday, Feb. 11th in the council chambers, with the following business being conducted.

Council approved the purchase of the RS10 Excavator and C10 Air Cutting Gun by the Stanhope Fire Department with the understanding the account is not required to be paid until April, 1981.

Council adopted a total of \$266,710 as a proposed expenditure on the 1981 road program. These expenditures will be made in accordance with the

Public Transportation and Highway Improvement Act

They also requested a supplementary of \$40,000 subsidy from the Ministry of Transportation and Communications to be expended in accordance with the Public Transportation and Highway Improvement Act during 1981.

Council agreed in principle to consider the passing of a road allowance opening bylaw for vehicular traffic between concessions VIII and IX from Hwy. 35 in a westerly direction about 900 feet more or less as required by Brian Cross. This agreement subject to the proposed bylaw meeting the approval of all necessary and appropriate authorities. It is understood that no assumption of the road by the municipality will be considered until brought to a municipal standard and approved by the MTC. A "hold harmless liability agreement" shall be deposited with the municipality prior to any commencement of road construction upon successful completion of a road allowance opening bylaw.

Council requested the maximum amount eligible monies from the Ministry of Housing for the continuance of the Ontario Home Renewal Program for the Township for the 1981-82 fiscal year.

Stanhope Townships' fire wardens for 1981 were also appointed at this meeting: Gordon Martin, Bob Jennings, Larry Hewitt, Bob Nangle, Ray Welch, Dale MacDonald and James Moore. Mr. Moore was appointed as chief Fire Warden. The following persons were appointed as permit issuers: Andrew Broersma, Pine Springs; R. C. Baker, Halls Lake; James Moore, municipal office and Harold Burton, Carnarvon.

been neglected and today many skilled jobs are going to people imported from overseas. Mr. Eakins said that this is a sad commentary on the man who headed our education ministry for a number of years.

John Eakins referred to the need for an industrial policy that deals with Canadian owned small and medium size businesses. He referred to them as the engine of economic growth that will get this province moving again and which will create jobs for our young people.

Protest foul against Carnarvon YBC bowler in tournament

OSHAWA — On Sunday, Feb. 22, six bowlers from the Carnarvon YBC program travelled here to Oshawa Lanes for the Zone finals in the prestigious 4 Steps to Stardom tournament. This is the finest

tournament on the YBC calendar and bowlers from six to 18 can advance through house, zone, regionals and provincials to the World championships.

One bowler from Carnarvon Lanes was on his way to the regional round after finishing first on Sunday. Then after the final game was completed, the Oshawa Lanes scorekeeper who was looking after the scoresheet where Daryl Bell was bowling decided she would assess a 15 pt. foul on Daryl thus knocking him out of first place and into second behind an Oshawa bowler, Bobby Lion, by seven pts.

Apparently, in the second frame of the last game, Bell got a strike and after turning away from the foul line he jumped into the air in jubilation and

when he landed his hand hit a post. The scorekeeper failed to call the foul at this time but did so at the end of the match.

The Carnarvon Lanes YBC executive have filed a letter of protest with the BPAO for the following reasons: first, the foul was not committed in the act of delivering the ball and second, the foul wasn't called until some eight frames later.

To reach even the zone finals of a tournament of this magnitude is a very great accomplishment, but to have the championship taken away has made a travesty of the youth bowling program. Hopefully the powers to be in Toronto will clear this matter up.

Answer to Puzzle

"Cooking with Jehane Benoit"

Canada's celebrated cooking authority, Madame Jehane Benoit, will write a bi-monthly column in this newspaper

beginning in February, she has announced.

To most Canadians, Madame Benoit is a familiar figure through her many cookbooks, magazine articles, and her appearances on radio and television.

She is much loved and admired for her disdain of pretense and cant, and for her homey and relaxed ways.

Madame Benoit has raised the cooking of simple Canadian, and particularly the French Canadian fare of the provinces, to such a high art that it has gained her a following throughout North America.

She has written 18 cookbooks, all of which are currently available. They are among the staples of popular cookbook sections of most book stores. Her most recent book is "World of Food".

In her new column, Madame Benoit will share her recipes, cooking tips and homemaking secrets with her many fans. She will also give us her insights into foods and nutrition, its preparation and serving, as well as her many years of experience shopping and buying fresh, frozen and packaged foods.

"Cooking with Jehane Benoit" should prove valuable to modern Canadian homemakers. Look for her new column on women's and homemaking pages starting this month.

To Limit Number of Moose Hunters in Kapuskasing and Chapleau Areas

Controlled moose hunts will take place again this year in the Opasatika Lake Management Unit (Wildlife Management Unit 23) and Horwood Lake Management Unit (Wildlife Management Unit 31) to relieve hunting pressure on the herds in that part of the province's northern region, Ontario's Minister of Natural Resources James Auld announced.

The areas involved are the same as last fall: South of Highway 11 between Kapuskasing and Hearst and east of the Chapleau River between Chapleau and Elsas.

The controlled hunts will be during the regular moose season, which will be October 18 to November 15 in Unit 23 and October 18 to October 31 in Unit 31.

Hunters who apply to the Ministry of Natural Resources Wildlife Branch in Toronto by March 20, 1981, with proof of previous hunting experience, will be eligible for a computer draw. The draw's purpose is to limit the number of hunters in both units. Application forms may be obtained from any ministry district office.

Mr. Auld said the Unit 23 controlled hunt will be limited to 1,200 resident hunters and

Unit 31 to 1,100 residents.

Last year's procedure will again be followed, with selected applicants receiving a special stamp to affix to their regular moose licence.

In addition, a limited number of special stamps will be allocated to resident and non-resident hunters who are clients of tourist outfitters operating in these areas.

The Minister said Ontario residents, who were not successful in the 1980 Opasatika and Horwood hunt draws, will be given priority in those hunts this fall if they apply.

"Hunters will have to hunt in a party of two or three and share a moose," Mr. Auld said.

"The regulations also now require that the person who kills a moose must immediately affix his seal to the animal at the site of the kill, together with one of the other persons hunting in a party.

"As in 1980, once the seals are securely attached through the tendon on one of the hind legs, the corresponding moose licences become invalid.

"The success of controlled hunts in regulating the harvest indicates this technique can be applied elsewhere as our long-range policies and plans require it," the Minister added.

Pembroke defeats Minden 3-1 in MNR grand championship

MINDEN — The first annual Ministry of Natural Resources "Algonquin Region" hockey tournament was held last Saturday at the Centre here, involving the six ministry offices in the region.

Minden, under the direction of coach Dave Camelon and manager Bob Musclow, put on a fine showing, making it to the grand championship before bowing out to Pembroke 3-1.

The first game Saturday morning saw Bracebridge edge Huntsville 1-0, then Whitney downed Minden 5-1, with Gary Clement scoring the lone Minden goal. The final game of the opening round saw Pembroke edge Parry Sound 3-2.

In game four, Parry Sound swamped Huntsville 6-2 then Pembroke once again squeaked by Whitney 3-2. Following this game Minden took to the ice vs. Bracebridge and the locals won 6-2 on two goals by Pete Lattner, Dennis Brule and Dave Handley. The victory gave Minden the 'B' consolation final and a berth in the championship. They also won the Frontier Motors trophy. Pembroke won the 'A' championship with their win over Whitney and picked up the Minden Texaco trophy.

Pembroke then met Minden, winning 3-1 and captured the Regional Directors trophy.

Disaster befalls Minden Minor Hockey, lose 11 of 12 games

MINDEN — The MMHA's playoff picture was dismal as teams dropped eleven of twelve games this week.

The Atoms were the only team to pick up a point as they played four games in five night, losing three and tying Orono 1-1. They met Sunderland on Tuesday evening and fell 5-1. Scott Russell scoring the lone Minden goal from David Preston. Thursday evening in Minden, Russell scored unassisted early in the game but Orono tied the contest in the third period. In Bobcaygeon on Friday, Minden lost 4-0 and then in Orono on Saturday the Minden crew fell 4-1 with Russell scoring again from Derek Allison.

The PeeWees played two games losing the first on Monday in Orono 4-0 and then fell 3-0 in Minden Thursday evening to the same team.

The Bantams played three games this past week and dropped all of them. In Bobcaygeon on Thursday the locals went down 6-1, John Dillon scoring from Scott Yake and Greg Newell. In Orono on Saturday afternoon the bantams went down 12-3 with Jeff Howe, Greg Newell and Scott Hamilton scoring. On Sunday against this same Orono team they lost 9-4. Hamilton led Minden with a pair and singles went to Dillon and Rob MacLeod. To date, the Orono bantams are undefeated this year in league and playoff action.

The changes of the Minden Midgets going into OMHA playoff action took a turn for the worse on Tuesday, as they fell 3-0 to Orono. Their two remaining games are against Sunderland.

Minden also dropped a 4-3 decision to Bobcaygeon on Thursday evening, giving them a record in round robin play of 2-2. In the Bobcaygeon game Eldon Bull, Andy Pristol and Ivan Ingram scored in a losing cause.

The Minden Juveniles opened a best of five series with Thornton over the weekend and after a two week layoff waiting for Thornton and Wasaga Beach to finish their opening round of playoff action, Dollo's IGA Juveniles were very sluggish, losing 9-3 at the Centre on Friday night and then dropped a

Ministry Revokes Licence of Health Services Co-op

Co-operative Health Services of Ontario, which also operated Delta Dental Plan of Ontario, has had its licence revoked by the Superintendent of Insurance for the Ministry of Consumer and Commercial Relations. A liquidator has now been appointed to administer the windup of the co-operative.

The co-operative, in addition to group plans offered prepaid health care policies to individual subscribers.

"At the request of the liquidator, we're trying to contact any individual subscribers to warn them that they should take immediate steps to get alternate coverage," said Ontario Consumer Minister Frank Drea. Those with group coverage will be contacted by the liquidator.

Among the companies licensed in Ontario to provide

this alternate coverage are Blue Cross, Co-operators and Green Shield.

Mr. Drea cautioned subscribers to retain their policies and any receipts they may have from Co-operative Health Services. "The company has been placed in liquidation, but the liquidator can't at this stage fully assess the company's assets."

In addition to extended health care coverage, the co-operative offered insurance to Ontario residents travelling outside Canada under the name of Carefree Travel Plan. "In co-operation with the liquidator we are making every effort to contact those people to alert them to the problem so they can arrange alternate coverage with another carrier," said Mr. Drea.
